

Grad Class of 2024 Planning

Message from **Ms. Anderson**, your **Grad Class Advisor**.

We need volunteers to be part of the grad class executives. You will be involved in helping out with grad hoodies, details of graduation including the cap and gown ceremony, and having the grad wall signed. These are just a few examples. If you are interested, please speak to Ms. Anderson or message her on teams by the end of this week.

Also, all grade 12 students, please ask your parents to help out with planning of prom and safe grad (fundraising and planning/choosing activities etc). We need parent help! Parents need to please contact Mr. Smith if they are interested in helping. Contact information: Jason.Smith2@nbed.nb.ca or (506) 392-5120
