

## Preparing for Scholarships

**Check the Grade 12 Grad Class of 2024 TEAM under the Scholarship Channel for information on how to find scholarships and how to apply for scholarships.**

Serve, help, support, build relationships, and volunteer your time with people in your school and community. It is important to help and serve others, and scholarship committees look for this.

Prepare in advance. Get a calendar/agenda and write down due dates.

Request reference letters two weeks in advance.

Request a copy of your high school transcript from the office.

Go to the TEAMS page for much more information and applications. Remember, information will be updated as it is made available to Mrs. Albright.
